## EXPERIENCE

---

### **Devsaar IT Solutions**

June 2023 - Current

*Junior MERN Stack Developer*

- Built and maintained web applications using **MERN stack** and **Next.js**, integrating RESTful APIs and third-party services for enhanced functionality and performance.
- Translated **Figma** designs into responsive, mobile-friendly web interfaces using Bootstrap and Tailwind CSS, ensuring design consistency and user satisfaction.
- Utilized **StarUML** for architecture modeling and Postman for API testing, ensuring structured development and reliable system communication.
- Employed **Git** for version control, conducted code reviews, and used Trello for task management to maintain code quality and meet deadlines efficiently.
- Gathered and translated client requirements, provided project updates, and contributed to company growth through activities like hosting interviews.

### **Skilovate**

Aug 2024 - Oct 2024

*MERN Stack Trainer*

- Instructed a **10-week** comprehensive course covering MongoDB, Express.js, React, and Node.js.
- Guided students in building complete applications, focusing on both backend APIs and frontend interfaces.
- Emphasized practical assignments, projects, and real-world scenarios to reinforce concepts.
- Promoted industry best practices, modern workflows, and a collaborative, problem-solving learning environment.

### **Devsaar IT Solutions**

Nov 2023 - Feb 2024

*iOS Development Intern*

- Provided support for existing iOS apps using **Swift** and **SwiftUI** by fixing bugs, improving performance, and enhancing user experience.
- Developed and integrated new modules into existing apps and managed **PHP** and **SQL** services for smooth frontend-backend communication.
- Responded to client requests for new features and issue resolution while assisting in code reviews and debugging to maintain high-quality standards.

### **Career Counseling Society (CCS)**

Apr 2022 - Feb 2023

*Graphic Designer*

- Created posters, banners, and covers, preparing print-ready files for production with attention to detail and quality.
- Handled multiple design projects under tight deadlines, delivering creative and accurate results swiftly.

## EDUCATION

---

**Bachelor's in Computer Science (BSCS)**

Apr 2021 - Current

*National University of Computer and Emerging Sciences (FAST)*

**Intermediate Computer Science (ICS)**

Aug 2019 - Mar 2021

*Punjab Group of Colleges*

**Matriculation Computer Science**

Aug 2017 - Apr 2019

*Qazi Group of Schools*

## CERTIFICATIONS

---

**MEAN and MERN Stack Development**

May 2022 - July 2022

*PNY Trainings*

## PROJECTS

---

Please refer to my portfolio ([ahsanjaved.netlify.app](https://ahsanjaved.netlify.app)) for details of these projects:

- University Management System
- UN Portal
- Build You
- Weather Forecast
- Books
- Invoice System
- Space Shooter
- Catch the Jewels
- Flappy Bird
